**FOR UNIVERSITY  
AND COLLEGE UNION  
GENERAL SECRETARY**

**April 2019**

- ✓ Fighting for national agreements on job security and equality
- ✓ Making UCU affordable for casually employed and FE members
- ✓ A new cross-sector task group to campaign against irresponsible metrics
- ✓ Transparent national negotiations with no more secretive deals behind closed doors
- ✓ Letting our national equality and anti-casualisation committees communicate directly with members
- ✓ No concessions on TPS and USS pensions: contribution increases do not justify cuts
