

## **Endorsement from David Hunter, City College Norwich.**

Hi, my name is David Hunter. I'm a lecturer at City College Norwich, and I'm chair of City College Norwich UCU.

I'm also standing for vice president in the forthcoming elections, and I'm here to endorse Jo Grady.

I met Jo when she visited our picket line when we were in dispute with our college on pay and conditions. And as soon as she got out of the car, she was immediately impressive. She came out, She spoke to members. She went up and down the line engaging them, asking them their issues, asking searching questions about our dispute.

She's really there on the ground for members. It was a real boost to our picket that day and to our dispute in general.

And we won our dispute. We got good pay. We got improved conditions. And under Jo, across FE, we started to win.

We've won ballots. We've won disputes. We've won pay rises. And now is our opportunity to build further. And that's what Jo plans to do.

She's got a grasp of the detailed issues in the FE sector, not only in the FE sector but in adult education and prison education. And we have a vision that we share to make things happen.

There's a lot to achieve in FE, and I believe that Jo is the one who'll get us there.

FE is safe in Jo's hands. So vote Jo Grady for General Secretary.
